## A note from our... January 2025 **Executive Director**

### Welcome Home!

The New Year is coming and we have a lineup of new programs to keep everyone active & engaged. Here's a sneak peek at what's happening in the New Year:

#### New Year New Theme

We are always looking for new ways to engage our Park Visalia family and each year we like to choose a theme. During 2025, we will be going through the decades beginning with 1920! Each week we will have decade themed happy hours with drinks & snacks made or best known from that decade. We will be baking and cooking recipes from each decade. Of course, watching movies from each decade, and to the best of our abilities, we will be going on outings to places founded in each decade too!

#### Meetings in the Theater Room

Don't miss our Resident Council and Lifestyle Meetings this month as these sessions are perfect for sharing ideas and gaining new insights about the community.

We look forward to seeing you at these events and making 2025 a year full of memories!

Warm regards,

Amanda Kelsey  
Executive Director
