April 2025 Newsletter

A note from our... Executive Director

As spring arrives, we bid farewell to the chilly weather and welcome the sunshine and vibrant blooms that come with the season. April, a month named for the Latin words "aperio," meaning "to open," is a time when plants begin to grow.

As we enter April, I would like to draw your attention to some upcoming events in our community. We will be celebrating Easter Sunday with a luncheon at 12:00 pm and Easter egg rolling at 2:30 pm. In observance of Earth Day, residents will have the opportunity to participate in a gardening activity, fostering a sense of community and connection with nature.

I wish you all a joyful Easter Sunday and a wonderful spring season.

Thank you,
Parveen Singh

Jenny Y.	4/9
Michael B.	4/9
Shakeelah A.	4/28
Kumssa E.	4/29

Community News

With the arrival of Spring, we're excited to bid farewell to the chilly weather and welcoming the sunshine, beautiful flowers in bloom, and the sweet songs of birds. As the days grow longer and warmer, we're looking forward to a brighter and more vibrant environment.

This month, we have several celebrations to look forward to. On April 1st, we'll observe April Fool's Day. Mid-month, we commemorate Good Friday and Easter Sunday, marked by an Easter lunch at 12:00 pm and Easter egg-rolling activities at 2:30 pm.

On Earth Day, we're taking part in a community garden initiative, providing each resident with the opportunity to plant and care for their own flowers, contributing to a shared garden space. This is a great chance to get involved and make our community garden even brighter.

We encourage everyone to mark their calendars and join us for these events. We wish you all a joyful Easter Sunday and look forward to celebrating the beauty of Spring together.
