Our resident enjoying one of her favorite hobbies!

Letter from our...  
Executive Director

Hello Springtime!!

The days are getting longer and warmer as spring is upon us. We look forward to celebrating what April has in store for us. Our residents together with the team will be having a picnic outdoors in our spacious courtyard and enjoy some hors d'oeuvres, mini sandwiches, and sparkling ciders. We look forward to doing some gardening in celebration of Earth Day.

Carefield Pleasanton will be hosting Behind the curtain Night, Meet the Directors on April 30th at 5:30pm. Come and have hors d'oeuvre, desserts and wine with us, meet the team, ask questions, and enjoy a delicious food prepared by our very own Chef.

Sincerely,  
Eunice O'Farrell

# Happy Birthday!
