

August 2025

A letter from our...

Executive Director

August brings the best bounty of the season - vine-ripened tomatoes, juicy melons, sweet corn on the cob, and fresh zucchini are just a few of our favorites. It's also the perfect time for canning! We're excited to share that our residents and staff will be joining together for a special canning activity this month.

The full moon, known as the Sturgeon Moon, will rise on Saturday, August 9th at 3:55 AM, a beautiful reminder of the changing season.

As we soak in the joys of summer, we warmly welcome our new residents and staff. We encourage everyone to take part in our vibrant daily activities, including group singing, gardening, daily chronicles, arts and crafts, flower arranging, and our ever-popular happy hour.

Save the Date! We'll be hosting a festive Luau Luncheon on Wednesday, August 28th at 11:30 AM. Please contact our Concierge to RSVP.

We look forward to your next visit and to creating more special summer memories together.

Eunice O'Farrell
