Celebrating Father's Day

## Letter from our... Executive Director

Dear Friends and Families,

We had a wonderful month of June at Carefield Pleasanton! From celebrating Father's Day and enjoying the beautiful weather, to honoring Juneteenth and welcoming the official start of summer with our Toast to Summer Happy Hour, it was truly a memorable month.

As we move into July, we're looking forward to long, warm days, fresh seasonal fruits, festive gatherings with friends and family, and of course, Fourth of July celebrations.

We'll be marking the holiday with a barbecue on our courtyard for our residents, an afternoon of good food and great company.

Additionally, we're excited to invite you to our upcoming Caregiver's Brunch on Wednesday, July 30th at 10:30 AM. It's a perfect opportunity to meet our team, ask questions, and enjoy a delicious meal prepared by our very own Chef.

Happy Summer to you all!

Sincerely,

Eunice O'Farrell
